6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Our Vision:

To educate and enable youth to enhance the dignity and progress of the society as well as the nation.

Our Mission:

- To make the rural youth aware and obedient of constitutional values like democracy, secularism and freedom of opinion and to make them execute the duties of a true citizen sincerely.
- To nurture them at gender equilibrium in order to avoid partiality with regard to sex in daily life.
- To enable a village to be economically and socially potential centre of development.
- To make the youth live in honour by undertaking inherited and traditional business by employing appropriate technology.
- To arouse vocational skill and curiosity of self-employment in the mind of the youth.

6.2 Does the Institution has a management Information System

The college has instituted an “Internal Quality Assurance Cell” (IQAC) as per the guidelines of NAAC–UGC. The cell consists of members from the Trust, college Alumni, Principal of the college, Co-ordinator of the steering committee (NAAC and IQAC), heads of the departments and other reputed people of the town. The cell aims at quality enhancement based on the suggestions of the previous NAAC peer team report. Every year the cell outlines the goals and sets targets regarding the overall quality of the institution, which includes needful things to be done and feedback from all stakeholders. The meeting of IQAC is regularly being held at the college wherein all the concerned issues regarding quality improvement are being discussed and solutions are arrived at. The annual report on the institute’s efforts of quality improvement and the achievement of superior outcomes on all aspect of holistic education is being sent to NAAC – UGC as ‘Annual Quality Assessment Report (AQAR)’ by the IQAC.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The syllabi are updated by affiliating University, Hemchandracharya North Gujarat University, Patan. We have 11 faculty members as members of the University Board of Studies (BOS) in their respective subjects. Two members are also spared their services in preparation of model state level syllabi of their subjects for KCG, Gujarat State.

6.3.2 Teaching and Learning

The college gives great emphasis on innovation and creativity in teaching methodologies. In order to facilitate such innovative practices, the college has adopted the use of technology in to teaching methods.

- **Project based learning:** The faculty members assign projects to PG students. Advance learners and needy students are directly involved in activities such as soil analysis under Soil Health Card Project of Gujarat Government. We make them earn while learning by involving in such projects.
- **Specialized trainings:** The college students are given opportunity to learn and exposure to sophisticated equipments like FT-IR, HPLC, AAS, TLC in our research lab. Such advanced trainings prepare the students for employable markets.

- **Assignments and Seminar:** Students are regularly given assignments, quizzes and they are required to present seminars in their classes. Due weightage to these activities is given in the internal evaluation.
- **Interactive board/ Multimedia projectors:** The teachers are encouraged to use interactive boards and multimedia projectors for better presentation. The interactive boards allow the teachers to ‘save’ the study material.
- **Visualizer:** The College has purchased a Visualizer, which is helpful to show small things to students while teaching.
- **Tours and Industry visits:** The College organizes regular academic tours, field work and industry visits to expose and motivate the students to demands of industry and society.

The following structure is adopted for achieving the above mentioned learning outcomes:

- Regular classes as well as additional expert lectures
- Remedial classes for weak learners
- Motivation for rank holders
- ICT enabled training and provision for ICT tools
- Continuous Internal assessment & Evaluation
- Assignments and project work
- Seminars, projects, assignments & practical for effective learning.
- Quality improvement program
- Faculty development program

6.3.3 Examination and Evaluation

We have developed a strong efficient and effective evaluation blue print based on sincerity, secrecy and sanity at every stage such as planning, scheduling, conduction of examination, assessment and moderation of answer books and declaration of results.

Administrative setup-

- College Examination committee- This committee consists of college senior faculties nominated by the Principal. The committee is in charge for all matters pertaining to examination which includes preparation of examination, schedule, monitoring of the process, paper setting and assessment of answer books and declaration of results.

Examination pattern

- We follow the examination pattern of the affiliating university in which the university exam and internal assessment carry 70 marks and 30 marks respectively. Internal assessment (30 marks) consists of Internal examination (20 marks) and 10 marks for seminar, assignment, attendance, Quiz and fieldwork.
- **Additional examination** – For any student who fails to appear in some or all papers at the Internal examination due to genuine reasons like medical leave, representing college/university in sports, cultural, N.C.C., N.S.S., or the activities conducted by recognized bodies or because of any valid reason, we offer retest.

6.3.4 Research and Development

- Research Committee of the college motivates faculty members to undertake research projects with external funding. It suggests to teachers for doing M. Phil, Ph. D. etc. and for applying for recognized Research Guide.
- 07 research students have been awarded Ph.D. degree during this year.
- It encourages faculty members to publish research findings in refereed journals and e-journals. 32 research articles are published in various journals and seminar proceedings in this year
- The UGC has recognized our college as “College with Potential for Excellence 2nd phase” and provided a special grant.
- The college has signed MOUs and established linkages with nearby institutions, NGOs and industries.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- **Library:** The College has a resourceful computerized library and students have free access to it from morning 10:15 to evening 5:00. 60 students capacity Reading Hall is provided with internet surfing facility. Separate Research section is developed to facilitate researchers for reference work.
- **Computation facility:** A computer lab with 85 computers and a Digital Educational Learning Lab with 25 computers enabled with broadband internet and Wi-Fi facility are fully available to students and faculty.
- **Inflibnet:** The College has subscribed INFLIBNET whereby lot of e-journals and e-books are available for research students of the college. Internet facility for students and the library is connected through intranet and is available to each teacher on his/her desktop.
- 41622 Text & Reference Books
- 85 journals & magazines
- 97000 e-books
- 6000 e- journals
- 438 CD/DVD educational material
- 12 computers with internet facility are available for soft data search.

6.3.6 Human Resource Management

- Computer and skill training programmes for office staff are organized.
- For students development, welfare training programmes and seminars were organised.
- Career oriented short term certificate courses like Computer training, Pathology Testing, Soil Testing analysis, etc. were organized.
- The college management recruits qualified faculty members as per university guidelines and supports them fully to retain them.
- The college management also provides congenial environment, security and full facility for research.

6.3.7 Faculty and Staff recruitment

- As per the Government, University & UGC norms faculty and staff recruitment takes place.
- When the State Govt. delays the NOC process for old/new vacancies as per the workload, the College Trust, as per Govt. academic qualification recruitment process norms, appoints the Faculty as well as Staff not to let the college work hamper for the benefit of the students.
- The recruitment of self-finance staff is done as per university rules and regulations.

6.3.8 Industry Interaction / Collaboration

Industry interaction

- MOUs and mutually understanding letter with industries for academic and research activities
- The institute is associated with various industries for organization of various workshops and campus interview
- Involvement of experts from Industries in teaching and curriculum design understanding

6.3.9 Admission of Students

- Ours is a Grant-in-aid college with many self financed courses at its ledger and admissions are made as per state government and affiliating university's norms and guidelines.
- We display merit list and admit students purely on merit basis. In few subjects where the number of seats remain vacant, we give admission to students on 'First Come, First Serve' basis.

6.8 Does the University/ Autonomous College declares results within 30 days?

For UG Programmes Yes No

For PG Programmes Yes No

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

University reforms

- With the introduction of the CBCS for all the UG and PG programmes continuous evaluation process in internal assessment of 30 marks is inducted. 10 out of the 30 internal marks are given for seminars, quiz, assignments, projects and class room participation.
- The structure of question papers of the external (University) exams of 70 marks is modified so as to include multiple choice questions (MCQ) to prepare the students for competitive examinations.
- The passing level is raised from 35% to 40% in the University as well as internal exam.

Institution reforms

- We follow the examination pattern of the affiliating university in which the university exam and internal assessment carry 70 marks and 30 marks respectively. Internal assessment (30 marks) consists of Internal examination (20 marks) and 10 marks for seminar, assignment, attendance, Quiz and fieldwork.
- **Additional examination** – For any student who fails to appear in some or all papers at the Internal examination due to genuine reasons like medical leave, representing college/university in sports, cultural, N.C.C., N.S.S., or the activities conducted by recognized bodies or because of any valid reason, we offer retest. We have introduced MCQ tests as a part of continuous evaluation.

6.10 What efforts are made by the University to promote autonomy in the affiliated/ constituent colleges?

-----Nil-----

6.11 Activities and support from the Alumni Association

- The alumni association named **Pilvai College Vartul** has worked as partner in all round development of our institution. The association honoured bright students of the college.
- They have freely donated to the growth of the institution.
- They visit the institution regularly and motivate our students.
- Some of the alumni contribute in training the syllabi in accordance with the need of the employment market.
- They help us organize campus interviews and guide the students to appropriate jobs.

6.12 Activities and support from the Parent – Teacher Association

- We organize parent–teachers meetings wherein we discuss general issues regarding students’ improvement and gather suggestions from parents. Parent take active interest in the development of the college and involve themselves in various activities conducted by college. They guide us to improve facilities and student support system.

6.13 Development programmes for support staff

- The support staff is given soft skill training, especially of Computer Operative Skills to make the administration smooth, effective, accurate and time-saving for the students and the institute as well. In this respect, the newly appointed staff is given training of the Computer Skills by experts in our computer laboratory under Faculty Development Programme of CPE scheme of UGC.
- The support staffs are also deputed to various training programmes organized by University and Government

6.14 Initiatives taken by the institution to make the campus eco-friendly

- We develop botanical garden with the help of Forest department in our campus.
- The institute organizes the environment related programmes, seminars, workshops etc. and subscribes journals/magazines related to ecology and environment. The regular environment awareness programmes among the students and society is observed by N.S.S. unit of the institute. As a part of environmental conversation, tree plantation programmes are organized at adopted village. The maintenance of trees and cleanliness drives are organized as a part of regular activities of NSS and NCC.
- Our departments of Botany and Zoology also organize the programmes for ecological and environmental awareness. The college possesses a well-maintained Botanical Garden including medicinal plants and green house.
- Institute is going to conduct green audit of campus. Institute believes in collective duty to care for our environment.
- The institute celebrates world ozone day to create environmental awareness.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- The Administrative Office is fully Computerized. With the help of Office Management Software, the administrative works like, collection of fees, admission procedure, certificates issuing, internal mark calculation, scholarships, accounts, GR, I card, data record, are successfully done by office. The important notices and information are communicated to each student by SMS.
- The installation of CCTV cameras has made the task of observing the academic activity very easy and the system also ensures the protection of the students and staff against any untoward incident.
- The **Central Library** of the college is fully computerized and with internet facility. Teachers /students can access books from six (06) places. Separate research section is developed for reference work.
- **Poor Boys' Library** provides free books and study-materials to economically backward students.
- Library up-gradation with increase in number of subjective reference books, e-books, research journals, periodicals, newsletters. Collaboration with N-list is made for the benefit of the research students of the respective subject.
- In **Career Guidance Centre**, LAN, internet connection, printer, photocopier facilities are available. The **Virtual Class Room** developed under the CPE scheme from where the live telecast of the lecture can be viewed from various academic institutions outside the college by video conference system.
- The well-equipped **Examination Room** having facilities of the two (02) computers, photocopiers, printer, ADF scanner, internet, OMR Reader software. The examination and evaluation process are becoming easier by these facilities.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- Regular meetings of staff council, IQAC, Governing Council
- Committees for Monitoring developments
- Teacher-in-charge for each activity

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

BEST PRACTICE - I

Title of the practice: Automation of the office work for accuracy and precision.

Goal:

The goal of the practice is to bring ease and efficiency in the administrative work. It is also to maintain accuracy, decency and accountability of the office work. It is to make office more transparent and increase its accessibility. It is eco-friendly practice that aims at making office work paperless and thus save the environment.

Context:

Office work is very strenuous. It is difficult to create record and maintain it. Moreover, the record is of different types and is maintained at different levels. It creates redundancy in the work. Thus office work is laborious and time consuming. One cannot expect complete accuracy in the office work as there remain number of human errors. As there is less transparency in the documentation, there is lot of scope for malpractices. It is also very difficult to maintain physical data in the form of papers and files and after certain period of time it has to be discarded. In that case retrieval of information becomes impossible. To overcome all these limitations of the office work and to make it more systematic and organised we have opted for office automation.

Practice:

For office automation we have installed *Office Management Software*. It has got office-task oriented useful tools. The complete automation of the office is possible by the use of this software. It has proved to be highly useful in the admission and enrolment process of the students. With the use of this software it has become easy to register the addresses and contact nos. of the students. This software can make the process of classification simplified and we can easily make the classification of the recorded data i.e. preparing students' list caste wise, category wise, medium wise, stream wise, gender wise and subject wise. We also use this software for preparing I-card of students. There is automation of complete admission process and fee-structure too. It can maintain fee register and can provide information of the pending fees in shortest possible time. With the help of this software admission process can be executed smoothly. The special feature of this software is that the source data is created in a very accurate manner. Once it is created, the same data can be shared in the library, internal mark calculation, scholarship section etc. Thus it leads to the sharing of the resources and avoid redundancy of the work. At the same time this data is systematic and has scope for multiple accessibility. It can be accessed from different points. The important notices and information are communicated to each student by SMS. Various certificates like, Bonafied Certificate, Transfer Certificate, Attempt Certificate, etc., can be issued by it. It saves lot of time and efforts of the office staff. Moreover, one can easily retrieve the information even after a long time.

Evidences of Success:

1. It has saved lot of paper work and unnecessary repeated work.

2. Office is equipped with updated, systematic data which can be accessed and retrieved any time.
3. It has minimized number of human errors in administrative as well as academic work and made it well organized.

Problems Encountered :

Installation and maintenance of the software is expensive matter. It also requires skills and training to operate the software. Sometimes it is a challenge to create accurate source data.

BEST PRACTICE - II

Title of the practice : Botanical Garden ‘Anandi Van’

Goal:

- Conservation of rare and endanger plant species
- Green campus
- Students benefit
- Ayurveda consultancy

The Context

The forest department on the celebration of district ‘**Van Mahotsav**’ select our college for the develop ‘Anandi Van’. For that our institute allotted 03 Hector land. With help of forest department, we planted 10 rare species like Creteava, Semecrpa, Saraca, Adansonia, comuiifora, Schleichera, Bixa etc., 11 endangered species like Sterculia, Santalum, Oroxylum, Pterocarpus, Buchanania etc. and 01 endemic species Azima and total 300 plant species. For the irrigation our institute established one tube well and for the protection we build fencing wall. In the botanical garden there is one small pond to storage of rain water which is use for irrigation and grounds water recharge. In the garden we planted some fruit-yielding plant species like Pomegranate, Guava, Rayan, Chikoo, Mango, Citrus, Amla, Kaju, Limonia etc., some medicinal plant species like Harde, Behda, Amla, Arjun, Ardusi, Tulsi, Aswagandha, Ragatroido, Bixa etc., and timber plant species like Teak, Sisoo, Madhuka, Aillenthus, Bamboo, Mahogini etc. For the maintenance of the garden we recruit one garden keeper. Financial support for the maintenance of botanical garden provided by management of our institute.

The Practice

- **Conservation**
- **Consultancy of medicinal plant species and general Flora**
- **Taxonomical study**
- **Yielding of plant resources**

Evidence of Success

The garden is in the initial stage total 300 plant species are planted among them 208 plant species are still survive, almost 70% of plant species is survive. We made our best effort to prevent plant species.

Problems Encountered

The main problem we facing are TDS of water, Water scarcity, termite etc.

7.4 Contribution to environmental awareness / protection

1) Pure Water 2) Tree Plantation, 3) Maintenance of Garden, 3) Incultation of the importance of Hygienic environment, 4) Lecture series by Eminent Personalities, 5) Health camp 6) Blood Donation.

Creating awareness among young learners about the disastrous results of the universal deforestation, population, explosion in south-east area and the consequent pollution and ecological imbalance and to make the young learners aware of the existing biodiversity.

7.5 Whether environmental audit was conducted? Yes No

8. Plans of institution for next year

- To monitor newly started programmes in the institute.
- Monitoring of Action Plan of CPE 2nd Phase grant.
- Establishment of Cyber room for the monitoring internet uses.
- To maintain Botanical Garden and other gardens in Campus.
- Purchase new Office portal software.
- To established Wi-Fi routers in the campus.
